

SATS 2021 BERGEN PRELIMINARY PROGRAM OVERVIEW

* digital alternative

WEDNESDAY, SEPTEMBER 8th

Time	
09.00	Registration
10.00 - 16.00	Sponsored workshops*
14.00 - 17.00	SATS: Study update by invitation*
16.00 - 17.00	SCANSECT: General Assembly*
17.00 - 18.00	SATS: General Assembly*
18.00	Reception/Exhibition opens

THURSDAY, SEPTEMBER 9th

Time	
07.00	Registration
08.00 - 08.15	Welcome & opening ceremony*
08.15 - 08.30	Opening lecture*

08.30 - 10.00	PLENARY SESSION I: Heart Valve Surgery – Endocarditis*
08.30 - 08.40	The concept of endocarditis team approach
08.40 - 08.50	Indications and timing in endocarditis surgery
08.50 - 09.10	How to deal with the aortic root?
09.10 - 09.30	How to deal with the mitral & tricuspid valve?
09.30 - 09.50	How to deal with multi-valvular infection?
09.50 - 10.00	Discussion

10.00 - 10.30	Exhibition & coffee
---------------	---------------------

10.30 - 12.00	PARALLEL SESSION I:
SATS SCANSECT: Heart Valve Surgery - Techniques & Innovations*	SATNU: TBD*
10.30 - 10.40: Indications for aortic and mitral valve surgery 10.40 - 11.00: Aortic valve repair techniques 11.00 - 11.20: Mitral valve repair techniques 11.20 - 11.50: Minimally invasive valve surgery 11.50 - 12.00: Discussion	

12.30 - 13.30	Lunch symposium* & exhibition
---------------	-------------------------------

13.30 - 15.30	PARALLEL SESSION II
SATS: Coronary Surgery*	SCANSECT: Physiology meets perfusion*
13.30 - 14.00: Indications for CABG vs. PCI 14.00 - 14.30: How to choose the second arterial conduit? 14.30 - 14.50: Single center experience of BIMA 14.50 - 15.10: Does dual platelet inhibition change outcome after coronary bypass surgery? 15.10 - 15.30: Discussion	13.30 - 14.00: Myocardial protection; multi dose vs. single shot cardioplegia 14.00 - 14.20: Flow physiology 14.20 - 14.40: Mini bypass in a nutshell 14.40 - 15.00: Brain protection during CPB with cardiac arrest 15.00 - 15.20: Transfusion strategies in complex surgery 15.20 - 15.30: Discussion

15.30 - 16.00	Exhibition & coffee
---------------	---------------------

16.00 - 18.30	PARALLEL SESSION III
	SATS SCANSECT SATNU: Oral abstract and Poster/Video presentations*

19.30	Reception/Social event
-------	------------------------

FRIDAY, SEPTEMBER 10th

Time	
08.30 - 10.30	PLENARY SESSION II: Aortic surgery*
08.30 - 08.50	Risk stratification in aortic surgery
08.50 - 09.10	Customized aortic arch surgery
09.10 - 09.30	Current concepts of thoracoabdominal aneurysm treatment
09.30 - 10.00	Acute aortic dissection type A; what is the best treatment strategy?
10.00 - 10.20	Acute aortic dissection type B; to stent or not to stent?
10.20 - 10.30	Discussion

10.30 - 11.00	Exhibition & coffee
---------------	---------------------

11.00 - 12.30	PARALLEL SESSION IV
SATS SCANSECT: Heart Failure – ECMO*	SATS: Lung cancer surgery*
11.00 - 11.20: Optimized ECPR in refractory cardiogenic shock 11.20 - 11.40: ECMO indications & treatment in SARS-CoV-2 11.40 - 12.00: Trauma-related ECMO treatment 12.00 - 12.20: Filtering devices during CPB 12.20 - 12.30: Discussion	11.00 - 11.15: Current and future lung cancer treatment 11.15 - 11.35: VATS-lobectomy going forward 11.35 - 11.55: RATS-lobectomy going forward 11.55 - 12.15: Establishing RATS-program in Norway 12.15 - 12.30: Discussion

12.30 - 13.30	Parallel lunch symposiums* & exhibition
---------------	---

13.30 - 15.00	PARALLEL SESSION V
SATS SCANSECT: Heart Failure – LVAD & valvular disease*	SATNU: TBD*
13.30 - 13.50 The future of heart failure treatment 13.50 - 14.10 Treatment of ischemic mitral valve disease 14.10 - 14.30 LVAD treatment in a non-transplant centre 14.30 - 14.50 Update on the Swedish LVAD-registry 14.50 - 15.00 Discussion	

15.00 - 15.15	Exhibition & coffee
---------------	---------------------

15.15 - 16.30	PLENARY SESSION II: Future of heart surgery around the globe*
15.15 - 15.25	Melbourne perspective
15.25 - 15.35	Mayo perspective
15.35 - 15.45	Cleveland perspective
15.45 - 15.55	The Baltic perspective
15.55 - 16.05	Central European perspective
16.05 - 16.15	The Nordic perspective
16.15 - 16.30	Discussion

16.30	Meeting adjourn
